MOTION

The CAPITAL IMPROVEMENT PROGRAM (CIP 8654) DONALD C. TILLMAN WATER RECLAMATION PLANT (DCTWRP) JAPANESE GARDEN ADA COMPLIANCE WORK ORDER No. SJD00013 (Project) was advertised on December 4, 2019 with bids to be received by January 15, 2020. The Project will implement upgrades to the DCTWRP Japanese Garden by upgrading two pedestrian log bridges for enhanced accessibility and will construct a new family-style restroom. The City Engineer's estimate for the project is $997,000.

It has been determined that it is in the best interest of the City of Los Angeles (City) to reject all bids for the project and to re-advertise the project at a later date.

I THEREFORE MOVE that the Board of Public Works (Board) reject all bids for the project and that the City Engineer return to the board to re-advertise the project at a later date.
