The project is located in Bel Air - Beverly Crest and Westwood in an area bounded by Stone Canyon Reservoir to the north, San Diego Fwy to the west, Beverly Glen Bl to the east and Wilshire Bl to the south.	Project Status	The construction is complete. The project is in the post-construction phase.
Current Phase																	
Post-Construction																	
Construction Information																	
Expected Duration: from 11/16/2008 to 6/9/2010 Construction Cost: \$1,536,560 Contractor: MNR Construction Inc.																	
Program Information																	
Program: Wastewater Collection System Settlement Agreement - 60 Miles Project Mgr: Richard Pedrozo PM Phone: (213) 485-1638 Lead Division: WW Conveyance Engineering Work Order: SZC11766 (Active)																	
Council District(s)																	
5 - Paul Koretz																	
Neighborhood Council(s)																	
Bel Air-Beverly Crest NC																	
Geographic Information																	
Thomas Guide: 591,592,631,632 Planning Area: West LA Address: N/A																	
Scope of Work																	
Based on Secondary Sewer Plan Report U18 produced by Bureau of Sanitation in January 2006, this project will remove and replace (R/R) or rehabilitate approximately 3.17 miles of sewer pipes as part of the 60 Miles Sewer Rehabilitation and Replacement Program of the Settlement Agreement Program. The project is located in Bel Air - Beverly Crest and Westwood in an area bounded by Stone Canyon Reservoir to the north, San Diego Fwy to the west, Beverly Glen Bl to the east and Wilshire Bl to the south.																	
Project Status																	
The construction is complete. The project is in the post-construction phase.
