The project is located in Hollywood in an area bounded by 3rd St. to the north, Olympic Bl. to the south, Windsor Bl. to the east and Rimpau Bl. to the west.	Project Status	The construction of the project is complete. The project is in the post-construction phase.
Current Phase																	
Post-Construction																	
Construction Information																	
Expected Duration: from 1/14/2009 to 11/2/2010 Construction Cost: \$376,871 Contractor: John T. Malloy, Inc.																	
Program Information																	
Program: Wastewater Collection System Settlement Agreement - 60 Miles Project Mgr: Richard Pedrozo PM Phone: (213) 485-1638 Lead Division: Wastewater Conveyance Engineering Work Order: SZC11846 (Active)																	
Council District(s)																	
4 - Tom LaBonge, 10 - Herb J. Wesson, Jr.																	
Neighborhood Council(s)																	
Greater Wilshire NC, Olympic Park NC																	
Geographic Information																	
Thomas Guide: 633 E1-G3 Planning Area: Central Area Address: N/A																	
Scope of Work																	
Based on Secondary Sewer Plan report H18 produced by Bureau of Sanitation in June 2006, this project will Remove and Replace (R&R) or Rehabilitate approximately 0.88 miles of sewer pipes as part of the 60 Miles Sewer Rehabilitation and Replacement Project of the Settlement Agreement Program. The project is located in Hollywood in an area bounded by 3rd St. to the north, Olympic Bl. to the south, Windsor Bl. to the east and Rimpau Bl. to the west.																	
Project Status																	
The construction of the project is complete. The project is in the post-construction phase.
